

Navy SBIR Transition Program (Navy STP): Small Companies, Big Impact!

Assisting our Small Businesses to Make the Right Connections	
Technical Briefs	45 small businesses had presentations available online for on-demand viewing.
Tech Talk Views	Small businesses had over 1700 on-demand views of their Tech Talks prior and during the course of S-A-S 2023 with an average of 39 views per technology.
Presentation Space	Several high ranking Navy officials and Flag officers, including the Secretary of the Navy, the Commander of Naval Information Warfare Systems Command, the Chief of Naval Research and others, were provided an overview of the technologies.
Marketing Material	A Tech Guide was made available pre-event; participating small businesses have a Navy STP Virtual Transition Marketplace presence with links to abstracts, technical presentations, quad charts and company capability brochures.
Demo Day	The Navy STP Demo Day provided three companies a platform to demonstrate their technologies. An average of 18 attendees viewed each live session.
