

Navy SBIR Transition Program (Navy STP): Small Companies, Big Impact!

Assisting our Small Businesses to Make the Right Connections	
Technical Briefs	45 small businesses had in-person presentation information available.
Tech Talk Views	Small businesses had on-demand Tech Talk Presentations available prior and during the course of S-A-S 2024 to promote their technologies and capabilities.
Collaboration	High ranking Navy officials and Flag officers, including the Under Secretary of the Navy, the Deputy Chief of Naval Operations, the Chief of Naval Research, the Commander of Naval Air Systems Command, and others, were provided an overview of the technologies.
Marketing Material	A Tech Guide was prepared for Prime Contractors; participating small businesses have a Navy STP Virtual Transition Marketplace presence with links to technical presentations, quad charts and company capability brochures.
Demo Day	The Navy STP Demo Day provided companies a platform to demonstrate their technologies and discuss their company capabilities.
