

Navy SBIR Transition Program (Navy STP): Small Companies, Big Impact!

Assisting our Small Businesses to Make the Right Connections

Technical Briefs	50 small businesses had in-person presentation information available.
Tech Talk Views	Small businesses had on-demand Tech Talk Presentations available prior and during the course of S-A-S 2025 to promote their technologies and capabilities.
Presentations and Contacts	STP small businesses had 245 interactions with Navy leaders and acquisition officials (including the DCNO N2/N6, the Chief of Naval Research, and others) and 515 discussions with prime contractor representatives to elaborate on their innovative technologies.
Marketing Material	An Event Tech Guide and the Navy Virtual Transition Marketplace with links to technical presentations, quad charts and company capability brochures promoted participating small businesses to Navy and prime contractor leaders.
Demo Day	The Navy STP Demo Day provided several small businesses a platform to demonstrate their technologies and discuss their company capabilities.
